

MINOR CHANGES HERE SAYS COMMISSIONER

Final Adjustment of Assessments Made in County

ALLEN COAL VALUABLE

Shares With East Pike Run Honor of Having Highest Valuation

"Not many changes of consequence were made in Charleroi valuations," said County Commissioner Thomas Hill, this morning in speaking of the final adjustment of assessments nearly completed by the commissioners. Commissioner Hill was in Charleroi a short time looking after business matters in connection with his office.

"Oh, of course you know a lot of people kicked here as well as elsewhere. Around over the county we find a lot of chronics. But in Charleroi, we found the assessments pretty well equalized, even if some of them did seem a little stiff. Your assessor performed his duty."

County Commissioner Hill said that board of commissioners, composing after some unusually hard work the the board of appeals had practically finished up the work of making adjustments. The final adjustment of the coal values in the county was completed Thursday. This adjustment varies little from the assessment as returned by the assessors.

The coal, as was formerly reported, is divided into "inactive" and "active" coal; the former being that not mined, and the latter that being operated.

In making the adjustments, \$5 was taken off the Amwell township coal, leaving it now assessed at \$130 an acre; \$25 off the Fallowfield coal, leaving it at \$275 inactive and \$325 active and \$5 off the Hopewell coal, leaving it at \$55. Carroll township coal is assessed at \$275 inactive and \$350 active. Allen coal is assessed at \$350 inactive and \$400 active. Allen share, with East Pike Run the honor of having the highest valued coal in the county.

The final adjustment of real estate values over the county will not be completed for at least a month. All appeals have been heard, except some few that were held over, and these are being heard as the parties call. So far as many appellants were concerned, the appeals were not very satisfactory to them. The average reduction over the entire county would not be more than \$150 to a property holder.

The assessments were raised in Monongahela, but outside of that place there was no important increase in the assessments from that returned by the assessors. Any adjustment made will not make any material change in the total valuation of the county. The total adjusted valuation cannot be determined yet, but it will, in round numbers be about \$123,000. The commissioners, sitting as a board of revision, started hearing appeals on February 17, and completed their work on Friday, March 7, traveling in that time to many sections of the county and hearing many appeals.

Recovering From Burns

Everly Jobs Brought Home From Hospital—Skin Grafting May be Necessary

Everly Jobs, the son of Mr. and Mrs. L. E. Jobs of Lookout avenue, who sustained burns while at one of the big mills in Monessen, some time ago has been brought home from the Charleroi-Monessen hospital. Young Jobs was standing in front of a stove when his clothing caught fire. His body was severely burned. It is expected that he will recover, but skin grafting may be necessary.

CONSUMER PROTECTED

Bill Passed by Congress Has Much Significance

WEIGHTS TO BE MARKED

Through an amendment to the national pure food law, passed in the rush of bills put through in the last hours of congress, the consumer wins an important point in a provision compelling manufacturers to mark all packages containing food with the quantity of the contents.

The amendment becomes operative at once. No penalties nor fines will be enforced, however, because of violations for 18 months.

The law requires all packages, except those sold at retail prices, at 6 cents or less, shall be marked with either the weight, measure or numerical count.

ALARM FRIGHTENS; FIRE LOSS SLIGHT

Five alarm No. 16 rung in because of a supposed fire in the kitchen of the Busy Bee restaurant caused considerable of a scare this afternoon at 1:30 o'clock. There was practically no damage done. The blaze came from a burning chimney. The group of buildings where the Busy Bee is located are nearly all frame and a fire there would be hard to control if it got a good start.

WHITE SLAVE PROBE FOR PENNSYLVANIA

Gov. Tener Proposes Investigation Similar to That in Illinois—Vice Commission to Visit Pittsburgh

Gov. John K. Tener is going to see that the proper kind of legislation is introduced in the legislature for a White Slave investigation. He will insist that a similar probe to that now being carried on in Illinois be made. Barratt O'Hara, lieutenant governor of Illinois, chairman of the Legislative Commission of his state, who wants a nation-wide probe has written to Gov. Tener, urging an inquiry.

Governor Tener says he is heartily in favor of the plans outlined by Lieutenant Governor O'Hara, of Illinois. He says "I will take action." His idea of a commission to investigate the abominable traffic is one composed of representatives and senators. This commission he thinks should be given an appropriation sufficient to permit of thorough inquiry.

It has practically been decided that a "vice commission" from Illinois will travel through the east, making investigations at various cities. Pittsburgh is to be one city where the commission will stop. Accompanying the commission will be representatives of a number of Chicago business houses where girls are employed. An effort will be made to have the commission meet President Wilson. The itinerary includes stops at New York, Albany, Baltimore, Washington, Boston, Philadelphia and Pittsburgh. The Governors of each State will be visited.

COUNTY PEOPLE ATTEND OUTING AT ORLANDO, FLA.

The members of the Pennsylvania colony spending the winter at Orlando, Florida, held their annual basket picnic at Russel Point, near that place, last Saturday. A copy of the Orlando Sentinel has been received which contains an account of the picnic and those attending. Those from Washington county were: Dr. Boyd A. Emry, of Eighty-Four; Mr. and Mrs. K. W. Daly and Miss Mary Daly, of Charleroi; Mrs. S. F. Jones, of Belle Vernon; Mr. and Mrs. George F. Walker, George Walker, Jr., Mrs. A. L. Auld and Glenn, Madge and Louise Carson, of Washington; Miss Jennie Roley, of Belle Vernon; Mr. and Mrs. H. H. Bebout of Canonsburg; Mary Walker, of Coal Center; E. U. Ross and Miss Broughton, of Washington; Mr. and Mrs. William Higgins, of Charleroi; Mr. and Mrs. Albert Jones, Hazel, Mary and William Jones, of Monongahela; M. M. Cleaver and Mrs. Mahlon Linton, of Beallville; M. V. McIlvaine and Messrs. I. J. R. E. and J. V. McIlvaine, of Washington; Mr. and Mrs. T. P. Grant, and Mrs. Margaret Gailey, of Charleroi; L. Walker and Mrs. M. L. Walker, of Washington; Mrs. H. B. Myers, of Washington.

GOVERNOR'S BLUE SKY MEASURE INTRODUCED

New Pastor is Ordained

Rev. William Adam Formally Assumes Place at Belle Vernon Baptist Church

With impressive ceremonies Rev. William Adam was ordained Thursday evening as pastor of the First Baptist church of Belle Vernon. The sermon of ordination was preached by Rev. E. A. Deake, of Riverview. Rev. E. G. Stanley, of Charleroi gave the charge to the pastor; Rev. A. T. Wallace, of Monessen, delivered the prayer; and Rev. H. C. Gleiss, of Pittsburgh gave the charge to the church. Dr. Marston was ordained as a deacon of the church.

SERVICE BY AUTO

Bentleyville-Charleroi Passenger Car to be Run

VESTA MAN GETTING CAR

Arrangements are being made by Anthony Miller, of Vesta, to institute automobile passenger service between Charleroi and Bentleyville. He has a machine ordered, that will be of superior make, and will have a capacity of 30 passengers. It is expected that the truck will arrive next week, and it will be put into immediate service.

Last fall a man from Pittsburgh instituted auto passenger service between the two towns, and proved the benefit of such a service. He did not stay long. Mr. Miller plans to make the auto service a regular daily feature during the entire summer.

SEEING THE LIGHT.

When the resolution to submit the question of Woman Suffrage passed the house at Harrisburg, it was generally acknowledged that it would have no chance of passing the senate. Indeed, some of the senators who were supposed to have a commanding influence in the senate were pronouncedly hostile to the measure, and made no bones of their intention to try and kill it when they had a chance to pass upon it.

Since then some things have happened. The Suffrage parade in Washington, D. C., where the women were grossly insulted by the mob, whom it is charged the police made no efforts to restrain, has aroused a storm of indignation throughout the length and breadth of the land. The result has been that public sentiment has crystallized rapidly, and legislators, whose tenure of office depends upon the votes of the people, the husbands, fathers and brothers of the women who were persecuted on the streets of the national capital, are taking a different view of the matter. That is why it is announced now in dispatches from Harrisburg that the question of submission is likely to pass the senate. Our senators are at last seeing the light, for which they are to be congratulated.

The episode at Washington has given the cause of Woman Suffrage an impetus that it would not have gotten in several years of peaceful agitation. The insurrection of John Brown at Harper's Ferry and the blowing up of the Maine brought great problems to a crisis that might not have been settled even now. The law of compensation is supreme, and obstacles that are today interposed in the pathway of progress become later on instruments for advancement.

"Snow White" Tonight.

By and made, tenancy it was stated that "Snow White," the great three reel fairy tale picture, would be presented at the Coyle Theatre yesterday. This was an error. The picture will be presented tonight, along with a drama associated with Leonardo de Vinci's great masterpiece, "Mona Lisa." This tells the story of the supposed mystery which surrounds the production of that great work.

The man who is bad always wants the other fellow to be good.

One Chicago girl says the vice investigators are afraid to look truth in the face. Not afraid, but it isn't good politics.

In the spring one wishes for the summer so he may get relief from that spring fever; in the summer he prays for autumn in order to get away from that tired feeling; in autumn he anxiously awaits the coming of winter so he can do some real hard work; in winter he waits for spring to get ginger in his blood. Verily the year is one good cycle of laziness.

NEW RAILROAD TO BE BUILT THIS SUMMER

Preliminary work has been done in the way of securing rights of way and in purchasing property along the route of the proposed Pittsburgh Coal Company's new road through the northern part of this county. The road will be an extension of the Mountour branch, and according to a statement made lately will be finished during the present year. Coming from McDonald the road will pass between Zedike and Eighty-Four, and thence on to the river at a point near Clairton. The Mingo road will connect with this line at some point near Eighty-Four and will be constructed by the Lake Erie.

This Girl Recovered From Consumption

The makers of DeKam's Alternative, which is doing so much good for Consumptives, are continually in receipt of wonderful reports of recoveries brought about solely through the use of this medicine. These reports are always at the command of any one interested, and many of the writers in their gratitude have suggested that like sufferers write direct and learn what it did for them. Here is one specimen: 421 Second Ave., Aurora, Ill. "Gentlemen: Pardon me for not writing sooner, but I wanted to see if I would ever be cured. I can now truthfully say I am perfectly well. I wish to express my heartfelt thanks. I have no pain, no cough, no night sweats, no hot fever. Since a child of two years, I have been ailing with lung trouble, which grew worse as I grew older. At the age of fourteen, the doctor said I could not be sent South. I would surely die of Consumption. Every winter I would be sure to have either Bronchitis, Pleurisy or Pneumonia. I had Typhoid-Fever once, and I had catarrh of the stomach, and bowels and had Hay Fever for the last few years; but have not anything of the kind this year. "I will answer all letters sent to me, asking a history of my case, from any one suffering with lung trouble." (Sworn affidavit) BETTA PLATH. (Five years later reports still well.) DeKam's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists. Sold by W. F. Hennings.

AMONG THE THEATRES

THE COYLE-CHARLEROI.

Through the enterprise of Manager R. S. Coyle Charleroi people were enabled to see some of the actual sights this week of the recent inauguration of President Wilson at the national capital. Mr. Coyle was most fortunate in securing 600 feet of the first films of inauguration scenes sent out. This showed President Wilson leaving Princeton for Washington, and the hearty sendoff of his old friends and neighbors. At Washington the new president was shown riding with ex-president Taft to and from the capital. The great parade, the military and civic bodies and immense crowds were shown, and those who were never at an inauguration saw what the occasion was like. Perhaps one of the most thrilling features ever shown at the Coyle was the three reel Warner feature, "Saved in Mid Air." This showed a girl, who was a circus rope walker, saving her lover by spanning the dizzy heights of about ten stories on a rope between two buildings. The girl walked ahead and the man, who was a novice clung to her while she balanced the two of them. Midway, the villain, "who was pursuing her," burned the rope, and the two, clinging to the rope swung downward, but were saved. Big features for Friday were the oldtime fairy tale, "Snow White," and "Mona Lisa," making five reels in all, with a strong Saturday bill for the week end.

THE PALACE-CHARLEROI.

Mirth and melody predominates at the Palace Theatre the last three days of the week, the program being one designed especially to dispel dull care. The entire vaudeville is occupied by Coleman's Mischief Makers, a company of seven comedians, who present their original comedy entitled "Good Old School Days." There is no plot to the skit, but of good comedy and singing there is an abundance. The troubles the old German professor has with his class of two pretty girls and three mischievous boys is a scream and the antics of the scholars, especially of the Hebrew character, and songs by every member of the company made one of the greatest hits ever scored by any act of the Palace since the institution of vaudeville. The bill will continue the rest of the week with a matinee on Saturday. In addition are the regular three reels of pictures changed nightly. Pathe's Weekly is a regular Friday feature. Special motion picture features are given at the Palace the first three days of the week.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, is time causing the scalp pores to close and the scalp to become shiny. Then it is believed nothing will revive the growth. If treated before this occurs, baldness may be overcome.

We know of nothing that has given such unbroken satisfaction in treating the scalp and hair as Recall "33" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else to restore your hair and strengthen it with it any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Recall "33" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. Your money pocket will get your money back if you want it. Two sizes \$5.00 and \$10.00.

Granting unto WESTSIDE ELECTRIC STREET RAILWAY COMPANY, its lessees, successors and assigns, the right to enter upon, use and occupy certain Streets, Avenues and Roads in the Borough of Charleroi, for the purpose of its railway.

Section, 1.—BE IT ORDAINED AND ENACTED by the Burgess and Town Council of the Borough of Charleroi, and it is hereby ordained and enacted by the authority of the same that the consent of the said Borough is given to the WESTSIDE ELECTRIC STREET RAILWAY COMPANY, a corporation organized and existing under the laws of the State of Pennsylvania; its lessees, successors and assigns to enter upon, use and occupy for the purpose of its railway the Streets, Avenues and Roads of said Borough of Charleroi hereinafter mentioned, and to construct, maintain and use for the term mentioned in its charter a single or double track street railway thereon, and the right to use electricity and other motive power than animal or steam on the whole or any portion of its line, and also to erect, maintain and use on said Streets, Avenues and Roads overhead or other electric system for the supply of motive power, and to erect thereon such poles and other supports as said company may deem necessary for the support of such overhead system and to complete the electric circuit by suitably connecting the rails of the road at their ends, or connecting the rails by supplementary ground wires.

Section, 2.—The Streets, Avenues and Roads to be traversed are to be as follows: BEGINNING, at the intersection of First Street and Fallowfield Avenue; thence through private property to and across a Public Road leading to Speers Borough; thence over private property to and across a Public Road leading to the Borough of Twilight; thence over private property to the Western Borough line of Charleroi.

Said WESTSIDE ELECTRIC STREET RAILWAY COMPANY shall forfeit all rights granted by this ordinance, unless it shall have cars running thereon within two (2) years from this date.

Section, 4.—The consent of the Borough of Charleroi granted in the preceding section is upon the following conditions, to-wit: FIRST, that the WESTSIDE ELECTRIC STREET RAILWAY COMPANY, its lessees, successors and assigns, shall construct its railway at the grade adopted by the borough for the Streets upon which the said railway is to be constructed and operated, and shall repair and maintain in as good condition as the contiguous portions of said street or streets, and with a like material, all streets or parts of streets occupied by said company at crossings or otherwise under this ordinance. SECOND, The said Company shall within (30) days after the passage of this ordinance file with the Clerk of the Borough its written certificate of acceptance of all the conditions and provisions of this ordinance, under the corporate seal duly attested by its President and Secretary, together with a certified copy of the resolution of its Board of Directors authorizing the execution and delivery of said certificate, and in case of default or failure so to do, said company shall acquire no right whatever under this ordinance, and this ordinance shall be null and void. THIRD, That all expenses incident to the enactment of this ordinance shall be paid by the WESTSIDE ELECTRIC STREET RAILWAY COMPANY. FOURTH, That all ordinances or parts of ordinances in conflict with this ordinance, be and that the same are hereby repealed. Enacted into an Ordinance this 11th day of March, A. D. 1913.

ORDINANCE NO. 252.

An ordinance authorizing the paving, with vitrified brick and curbing of Fallowfield Avenue, from Ninth Street to intersection of Lincoln Avenue, and providing for the collection of two-thirds of the costs thereof from the owners of the real estate abutting thereon.

Whereas, It appears by the petition and affidavit attached thereto, which has been accepted and approved by the Burgess and Town Council of the Borough of Charleroi, that two-thirds of the owners of property, representing not less than two-thirds in number of feet of the properties bounding or abutting on Fallowfield Avenue from Ninth Street to intersection of Lincoln Avenue, have petitioned the Burgess and Town Council to enact an ordinance directing the paving

with vitrified brick and the curbing of the above mentioned portion of Fallowfield Avenue two-thirds of the costs and expenses of the same to be assessed upon the owners of property bounding or abutting thereon, according to Act of Assembly; therefore,

Section 1.

Be it ordained and enacted by the Burgess and Town Council of the Borough of Charleroi, and it is hereby ordained and enacted by the authority of the same, that the Burgess is hereby authorized and instructed, as required by ordinance No. 17, Sec. 3, as amended, to advertise for and receive proposals for the paving with vitrified brick, and curbing of said portion of Fallowfield Avenue from Ninth Street to intersection of Lincoln Avenue in accordance with the plans and specifications of the Borough Engineer, approved by the Burgess and Town Council, and to enter into contract, in conjunction with Council, with any responsible party or parties, such being the lowest and best bidder or bidders for said paving and curbing, such party or parties to give satisfactory security to do the work in strict conformity to said plans and specifications of the said Borough Engineer, and under his direction and supervision.

Section 2.

Upon the completion and approval of said paving and curbing and the costs and expenses ascertained, the Burgess and Town Council shall assess two-thirds of the costs and expenses of the same upon the owners of the real estate bounding or abutting thereon by an equal assessment on the feet front bounding or abutting as aforesaid; said assessment to be estimated by the Borough Engineer as required by Act of Assembly, approved the 23rd day of April 1889.

Ordained and enacted into an ordinance this 11th day of March, 1913.

W. R. Gaut,
President of Council.

Attest

Ira L. Nickeson,
Borough Clerk.

SEEING THE LIGHT.

When the resolution to submit the

question of Woman Suffrage passed

the house at Harrisburg, it was

generally acknowledged that it would

have no chance of passing the sen-

ate. Indeed, some of the senators

who were supposed to have a com-

manding influence in the senate were

pronouncedly hostile to the measure,

and made no bones of their intention

to try and kill it when they had a

chance to pass upon it.

Since then some things have hap-

pened. The Suffraget parade in

Washington, D. C., where the women

were grossly insulted by the mob,

when it is charged the police made

no efforts to restrain, has aroused a

storm of indignation throughout the

length and breadth of the land. The

result has been that public senti-

ment has crystallized rapidly, and

legislators, whose tenure of office

depends upon the votes of the people,

the husbands, fathers and brothers of

the women who were persecuted on

the streets of the national capital,

are taking a different view of the

matter. That is why it is announced

now in dispatches from Harrisburg

that the question of submission is

likely to pass the senate. Our sena-

tors are at last seeing the light, for

which they are to be congratulated.

The episode at Washington has

given the cause of Woman Suffrage

an impetus that it would not have

gotten in several years of peaceful

agitation. The insurrection of John

Brown at Harper's Ferry and the

blowing up of the Maine brought great

problems to a crisis that might not

have been settled even now. The

law of compensation is supreme, and

obstacles that are today interposed

in the pathway of progress become

later on instruments for advancement.

"Snow White" Tonight.

By and inadvetency it was stated

that "Snow White," the great three

reel fairy tale picture, would be pre-

sented at the Coyle Theatre yester-

day. This was an error. The picture

will be presented tonight, along with

a drama associated with Leonado

de Vinci's great masterpiece, "Mona

Lisa." This tells the story of the

supposed mystery which surrounds

the production of that great work.

MINOR CHANGES HERE SAYS COMMISSIONER

Final Adjustment of
Assessments Made
in County

ALLEN COAL VALUABLE

Shares With East Pike Run
Honor of Having Highest
Valuation

"Not many changes of consequence were made in Charleroi valuations," said County Commissioner Thomas Hill, this morning in speaking of the final adjustment of assessments nearly completed by the commissioners. Commissioner Hill was in Charleroi a short time looking after business matters in connection with his office.

"Oh, of course you know a lot of people kicked here as well as elsewhere. Around over the county we find a lot of chronic. But in Charleroi, we found the assessments pretty well equalized, even if some of them did seem a little stiff. Your assessor performed his duty."

County Commissioner Hill said that board of commissioners, composing after some unusually hard work the the board of appeals had practically finished up the work of making adjustments. The final adjustment of the coal values in the county was completed Thursday. This adjustment varies little from the assessment as returned by the assessors.

The coal, as was formerly reported, is divided into "inactive" and "active" coal; the former being that not mined, and the latter that being operated.

In making the adjustments, \$5 was taken off the Anawell township coal, leaving it now assessed at \$130 an acre; \$25 off the Fallowfield coal, leaving it at \$275 inactive and \$325 active and \$5 off the Hopewell coal, leaving it at \$35. Carroll township coal is assessed at \$275 inactive and \$350 active. Allen coal is assessed at \$350 inactive and \$400 active. Allen shares with East Pike Run the honor of having the highest valued coal in the county.

The final adjustment of real estate values over the county will not be completed for at least a month. All appeals have been heard, except some few that were held over, and these are being heard as the parties call. So far as many appellants were concerned, the appeals were not very satisfactory to them. The average reduction over the entire county would not be more than \$150 to a property holder.

The assessments were raised in Monongahela, but outside of that place there was no important increase in the assessments from that returned by the assessors. Any adjustment made will not make any material change in the total valuation of the county. The total adjusted valuation cannot be determined yet, but it will in round numbers be about \$123,000.

The commissioners, sitting as a board of revision, started hearing appeals on February 17, and completed their work on Friday, March 7, traveling in that time to many sections of the county and hearing many appel-

CONSUMER PROTECTED

Bill Passed by Congress
Has Much Signifi-
cance

WEIGHTS TO BE MARKED

Through an amendment to the national pure food law, passed in the last hours of congress, the consumer wins an important point in a provision compelling manufacturers to mark all packages containing food with the quantity of the contents.

The amendment becomes operative at once. No penalties nor fines will be enforced, however, because of violations for 18 months.

The law requires all packages, except those sold at retail prices at 6 cents or less, shall be marked with either the weight, measure or numerical count.

WHITE SLAVE PROBE FOR PENNSYLVANIA

Gov. Tener Proposes Investigation Similar to
That in Illinois--Vice Commission to
Visit Pittsburg

Gov. John K. Tener is going to see that the proper kind of legislation is introduced in the legislature for a White Slave investigation. He will insist that a similar probe to that now being carried on in Illinois be made. Barratt O'Hara, lieutenant governor of Illinois, chairman of the Legislative Commission of his state, who wants a nation-wide probe has written to Gov. Tener, urging an inquiry.

Governor Tener says he is heartily in favor of the plans outlined by Lieutenant Governor O'Hara, of Illinois. He says "I will take action." His idea of a commission to investigate the abominable traffic is one composed of representatives and

senators. This commission he thinks should be given an appropriation sufficient to permit of thorough inquiry.

It has practically been decided that a "vice commission" from Illinois will travel through the east making investigations at various cities. Pittsburg is to be one city where the commission will stop. Accompanying the commission will be representatives of a number of Chicago business houses where girls are employed. An effort will be made to have the commission meet President Wilson. The itinerary includes stops at New York, Albany, Baltimore, Washington, Boston, Philadelphia and Pittsburg. The Governors of each State will be visited.

With impressive ceremonies Rev. William Adam was ordained Thursday evening as pastor of the First Baptist church of Belle Vernon. The sermon of ordination was preached by Rev. E. A. Deake, of Riverview; Rev. E. G. Stanley, of Charleroi gave the charge to the pastor; Rev. A. T. Wallace, of Monessen, delivered the prayer; and Rev. H. C. Gleiss, of Pittsburg gave the charge to the church. Dr. Marston was ordained as a deacon of the church.

VESTA MAN GETTING CAR

Arrangements are being made by Anthony Miller, of Vesta, to institute automobile passenger service between Charleroi and Bentleyville. He has a machine ordered, that will be of superior make, and will have a capacity of 30 passengers. It is expected that the truck will arrive next week, and it will be put into immediate service.

Last fall a man from Pittsburg instituted auto passenger service between the two towns, and provided the benefit of such a service. He did not stay long. Mr. Miller plans to make the auto service a regular daily feature during the entire summer.

VOTE FOR SUFFRAGE

Public Hearing to be Held
Next Week by Judiciary
General Committee

Harrisburg, March 13.—What is known as Governor Tener's "Blue Sky Law" has been introduced in the house by A. C. Stein of Pittsburg. The purpose of this bill is to prevent the marketing and selling in this state of stocks, bonds and other securities, customarily called watered securities, and to reach the wild-cat and swindling investment or security companies that have been exploiting the public, which have no more tangible value than the blue sky above. These are regulated in the bill to such an extent that the promoters will have to make a show down that will satisfy the state officials as to their reliability before they can market any of their securities. Pennsylvania will go on record in favor of equal suffrage, in the opinion of Senator McIlhenny, whose judiciary general committee will hold a public hearing on the constitutional amendment granting votes to women, next Tuesday.

"I believe the suffrage measure will pass the Senate," he said. "The events of the past few weeks have strengthened the movement. The rowdy treatment accorded the women in Washington has centered the eyes of the country on the suffrage cause, and it has gained greatly."

Several weeks ago Senator McIlhenny told his fellow senators they need not fear the enactment of the suffrage amendment.

The Keport anti-tipping bill was favorably reported out of committee, and now goes on the house calendar for the first reading. It makes it a misdemeanor to give, to solicit, or to receive a tip either directly or indirectly.

A civic bill of much importance has been introduced by Representative Steel of Allegheny county. This is to make it the duty of corporate authorities of municipalities of over 15,000 population to erect and maintain public comfort stations and making it the duty of the Commissioner of Health to let contracts where municipalities fail to act.

The house committee on health and sanitation has reported out unanimously, with a favorable recommendation, the Richards bill permitting oleomargarine to be colored and providing strict regulations for its sale. The measure permits oleo to be colored with the same substance used by manufacturers of creamery butter and by farmers.

In a spirited battle in the house an amendment to the workmen's compensation act, exempting farmers from its provisions, was lost by a small vote. Friends of the farmers will make another effort to relieve farmers from the obligations imposed by the bill.

The legislature adjourned last night to meet again Monday evening.

AMONG THE THEATRES

THE COYLE-CHARLEROI

Through the enterprise of Manager R. S. Coyle Charleroi people were enabled to see some of the actual sights this week of the recent inauguration of President Wilson at the national capital. Mr. Coyle was most fortunate in securing 600 feet of the first films of inauguration scenes sent out. This showed President Wilson leaving Princeton for Washington, and the hearty send-off of his old friends and neighbors. At Washington the new president was shown riding with ex-president Taft to and from the capital. The great parade, the military and civic bodies and immense crowds were shown, and those who were never at an inauguration saw what the occasion was like. Perhaps one of the most

feature, "Saved in Mid Air." This showed a girl, who was a circus rope walker, saving her lover by spanning the dizzy heights of about ten stories on a rope between two buildings. The girl walked ahead and the man, who was a novice clung to her while she balanced the two of them. Midway, the villain, "who was pursuing her," burned the rope, and the two, clinging to the rope swung downward, but were saved. Big features for Friday were the oldtime fairy tale, "Snow White," and "Mona Lisa," making five reels in all, with a strong Saturday bill for the week end.

THE PALACE-CHARLEROI

Mirth and melody predominates at the Palace Theatre the last three days of the week, the program being one designed especially to dispel dull care. The entire vaudeville is occupied by Coleman's Mischief Makers, a company of seven comedians, who present their original comedy entitled "Good Old School Days." There is no plot to the skit, but of good comedy and singing there is an abundance. The troubles the old German professor has with his class of two pretty girls and three mischievous boys is a scream and the antics of the scholars, especially of the Hebrew character, and songs by every member of the company made one of the greatest hits ever scored by any act of the Palace since the institution of vaudeville. The bill will continue the rest of the week with a matinee on Saturday. In addition are the regular three reels of pictures changed nightly. Pathe's Weekly is a regular Friday feature. Special motion picture features are given at the Palace the first three days of the week.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, is time causing the scalp pores to close and the scalp to become shiny. Then, it is believed nothing will grow the growth. If treated before it occurs, baldness may be overcome.

We know of nothing that has given such universal satisfaction in curing the scalp and hair as Resall "99" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair, and if any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Resall "99" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. You were requested will get your money back if you want it. Two sizes: 50c and \$1.00.

ORDINANCE NO. 252

Granting unto WESTSIDE ELECTRIC STREET RAILWAY COMPANY, its lessees, successors and assigns, the right to enter upon, use and occupy certain Streets, Avenues and Roads in the Borough of Charleroi, for the purpose of its railway.

Section 1.—BE IT ORDAINED AND ENACTED by the Burgess and Town Council of the Borough of Charleroi, and it is hereby ordained and enacted by the authority of the same that the consent of the said Borough is given to the WESTSIDE ELECTRIC STREET RAILWAY COMPANY, a corporation organized and existing under the laws of the State of Pennsylvania; its lessees, successors and assigns to enter upon, use and occupy for the purpose of its railway the Streets, Avenues and Roads of said Borough of Charleroi hereinafter mentioned, and to construct, maintain and use for the term mentioned in its charter a single or

and the right to use electricity and other motive power than animal or steam on the whole or any portion of its line, and also to erect, maintain and use on said Streets, Avenues and Roads overhead or other electric system for the supply of motive power, and to erect thereon such poles and other supports as said company may deem necessary for the support of such overhead system and to complete the electric circuit by suitably connecting the rails of the road at their ends, or connecting the rails by supplementary ground wires.

Section 2.—The Streets, Avenues and Roads to be traversed are to be as follows: BEGINNING, at the intersection of First Street and Fallowfield Avenue; thence through private property to and across a Public Road leading to Speers Borough; thence over private property to and across a Public Road leading to the Borough of Twilight; thence over private property to the Western Borough line of Charleroi.

Said WESTSIDE ELECTRIC STREET RAILWAY COMPANY shall forfeit all rights granted by this ordinance, unless it shall have cars running thereon within two (2) years from this date.

Section 4.—The consent of the Borough of Charleroi granted in the preceding section is upon the following conditions, to-wit: FIRST, that the WESTSIDE ELECTRIC STREET RAILWAY COMPANY, its lessees, successors and assigns, shall construct its railway at the grade adopted by the borough for the Streets upon which the said railway is to be constructed and operated, and shall repair and maintain in as good condition as the contiguous portions of said street or streets, and with a like material, all streets or parts of streets occupied by said company at crossings or otherwise under this ordinance. SECOND: The said Company shall within (30) days after the passage of this ordinance file with the Clerk of the Borough its written certificate of acceptance of all the conditions and provisions of this ordinance, under the corporate seal duly attested by its President and Secretary, together with a certified copy of the resolution of its Board of Directors authorizing the execution and delivery of said certificate, and in case of default or failure so to do, said company shall acquire no right whatever under this ordinance, and this ordinance shall be null and void. THIRD: That all expenses incident to the enactment of this ordinance shall be paid by the WESTSIDE ELECTRIC STREET RAILWAY COMPANY. FOURTH: That all ordinances or parts of ordinances in conflict with this ordinance, be and that the same are hereby repealed. Enacted into an Ordinance this 11th day of March, A. D. 1913.

W. R. Gaut, President of Council.

ATTEST: Ira L. Nickeson, Secretary of Council.

ORDINANCE NO. 252

An ordinance authorizing the paving, with vitrified brick and curbing of Fallowfield Avenue, from Ninth Street to intersection of Lincoln Avenue, and providing for the collection of two-thirds of the costs thereof from the owners of the real estate abutting thereon.

Whereas, It appears by the petition and annexed thereto, which has been accepted and approved by the Burgess and Town Council of the Borough of Charleroi, that two-thirds of the owners of property, representing not less than two-thirds in number of feet of the properties bounding or abutting on Fallowfield Avenue from Ninth Street to intersection of Lincoln Avenue, have petitioned the Burgess and Town Council to enact an ordinance directing the paving

with vitrified brick and the curbing of the above mentioned portion of Fallowfield Avenue two-thirds of the cost and expending of the same to be assessed upon the owners of property bounding or abutting thereon, according to Act of Assembly; therefore

Section 1. Be it ordained and enacted by the Burgess and Town Council of the Borough of Charleroi, and it is hereby ordained and enacted by the authority of the same, that the Burgess is hereby authorized and instructed, as required by ordinance No. 17, Sec. 3, as amended, to advertise for and receive proposals for the paving with vitrified brick, and curbing of said portion of Fallowfield Avenue from Ninth Street to intersection of Lincoln Avenue in accordance with the plans and specifications of the Borough Engineer, approved by the Burgess and Town Council, and to enter into contract, in conjunction with Council, with any responsible party or parties, such being the lowest and best bidder or bidders for said paving and curbing, said party or parties to give satisfactory security to do the work in strict conformity to said plans and specifications of the said Borough Engineer, and under his direction and supervision.

Section 2. Upon the completion and approval of said paving and curbing and the costs and expenses ascertained, the Burgess and Town Council shall assess two-thirds of the costs and expenses of the same upon the owners of the real estate bounding or abutting thereon by an equal assessment on the feet front bounding or abutting as aforesaid; said assessment to be estimated by the Borough Engineer as required by Act of Assembly, approved the 28th day of April 1889.

Ordained and enacted into an ordinance this 11th day of March, 1913.

W. R. Gaut, President of Council.

Attest: Ira L. Nickeson, Borough Clerk.

Examined and approved by me this 12th day of March, A. D. 1913.

George W. Risbeck, Burgess.
